WARNING

The Illinois Department of Healthcare advises that eating raw or under cooked meat, poultry, eggs or seafood poses a health risk to everyone but especially to the elderly, young children under the age of 4, pregnant woman, and other highly susceptible individuals with compromised immune systems. Though cooking of animal foods reduce the risk of illness.

ADVERTENCIA

De acuerdo con el Departamento de Sanidad del estado de Illinois, comer alimentos crudos o semicrudos ya sea pescados, mariscos aves, huevos o carnes pone en riesgo la salud de quien los consume especialmente ancianos y niños menores de cuatro años, mujeres embarazadas y otros individuos con sistema inmunológico vulnerable.
